The background image shows a restaurant interior with a warm, rustic aesthetic. In the foreground, several wooden tables are set for a party. Each table has a centerpiece of pink flowers in a clear glass vase. There are also smaller vases with pink flowers. The tables are set with white plates, silverware, and glasses. A large, clear glass water bottle is on each table. The chairs are made of light-colored wood with a woven seat. The background is slightly blurred, showing more tables and a large window with a view of the outside. The lighting is warm and ambient.

## FOOD & PARTY PACKAGES

We have some great pre-order options on food and drinks. It is often better value to order food and drinks in advance from our party packages, it's a great way to guarantee a proportion of spending in advance if you are on a minimum spend and your guests get well fed and watered at your party.

Or if you prefer, just order from our menu on the night. Our kitchen is open for as long as the bar is. Which means at the weekend, you can grab pizza from our coal oven until 12am Friday and Saturday.
